PIK-UP
from  Mahindra

2.5 | CRDe S-CAB | 4X2

2.5 | CRDe S-CAB | 4X4

rugged & reliable

Pik-Up is a no-nonsense workhorse with the heart and interior of a thoroughbred – it's got the energy to get you through the toughest job

- durable 2.5-litre CRDe turbo diesel engine gives excellent pulling power and *pik-up*, even at low speeds
- power steering and 210mm of ground clearance with standard 16" wheels save your energy for the real work

PIK-UP
from  Mahindra

brains & brawn

Pik-Up is as intelligent as it is tough

- electronic on-the-fly activation to 4WD and a convenient USB port on the dash brings together hard-work and smart thinking
- rely upon great comfort to keep you going until the job is done – heavy duty air-conditioning, sound system with MP3, SD and CD and remote central locking all come standard
- large cargo space for the big jobs
- all new Euro IV engine

alloy wheels, as shown, are an optional accessory.

2.5 | CRDe D-CAB | 4X2
2.5 | CRDe D-CAB | 4X4

solid & tough

Pik-Up is dependable with practical styling for an all-round hardy work vehicle

- large load capacity makes light of the biggest jobs. Independent front suspension, limited slip differential, 4WD and rectangular chassis for when the going gets tough
- great headroom and legroom means there's more room all round
- powerful high-torque/low-rev engine to manage the toughest terrain

stable & committed

Mahindra Pik-Up at home in Australia

Mahindra has been building general purpose utility vehicles since 1945. They first came to prominence building 4x4 utilities before branching out into agricultural tractors and light commercial vehicles. They've been so successful that the Mahindra Group is now a \$4 billion conglomerate. For further details visit www.mahindra.com
